On Thursday, 2\textsuperscript{nd} June our Cross Country Team competed at the ACC Cross Country Carnival held at Alderbury Reserve in Perry Lakes. Our students have been training hard over the past five weeks leading up to the event under the watchful eye of head coach, Ms Bell.

The ACC Cross Country Carnival is an inter-school event where all Catholic and Independent schools come together for students to run in either a 3km girls race or a 4km boys race for their age group. Approximately 400 students compete in each race and therefore any student who can finish in the top 50 has done very well.

All of our students competed extremely well on the day with a few students who achieved a high finishing result.

Year 8 - Elizabeth Doust - 40\textsuperscript{th}
Year 9 - Aluel Nul - 38\textsuperscript{th}
Year 9 - Holly O'Keeffe - 45\textsuperscript{th}
Year 10 - Dor Jok - 2\textsuperscript{nd}

I would like to congratulate all our students who competed at the Carnival for their commitment and dedication to training and to the team.

Head of Sport

Year 10 Food Technology - International Foods Expo

On Tuesday, 31st May and Wednesday, 1st June the Year 10 Food Technology students have been exploring different cuisines and cultures from around the world. Students were required to choose a country and then to plan a hawker’s market feast (of 80 portions of food) which they would present to their teachers.

After weeks of hard work and preparation the students presented their feast during recess and lunchtime at the International Food Expo. The Year 10 Food Technology students are to be congratulated on their efforts and professionalism in the kitchen. They made our classroom a celebration of colours and delicious food.

Thank you to all of those involved for making it a great success!
