2017 Prefects

It is a pleasure to announce and congratulate the 2017 Prefects:

Elysha Ayers  Leah Ayres  Lucas Cavanagh  Matthew Grobbelaar  Miranda Haselden-Wood
Tyra Hayward  Matthew Henning  Alex Robinson  Ella Siakia  Zach Welch

The Prefects will be introduced at the College Awards Night on Monday, 28th November when the announcement of Head Boy and Head Girl will be made.

We thank all Year 11 students who applied for the student leadership positions. Whilst we have Prefects, it is important to remember that all Year 12 students have the significant responsibility of being leaders in the College community.

Year 11 Examinations

ATAR examinations take place during Weeks 6 and 7. All students have been given individual examination timetables and examination rules. Students must arrive at the College 30 minutes before the examination commences.

Prayers for Mrs Elena Alecu

The College community extends our condolences and prayers to Mrs Elena Alecu, our Science Laboratory Technician and her daughters, Alexandra and Alina, on the sad and sudden passing of her husband and their father, Dan, on Saturday, 5th November.

May he rest in peace.

2016 Sports Awards Evening

The 2016 Sports Awards Evening was held in the Paul Rafter Centre on Monday, 7th November to celebrate the outstanding achievements of students who have participated in CAS, SSWA or ACC sport throughout the year. It was fantastic to see so many parents/grandparents in attendance supporting the students.

I would like to congratulate all our award winners who received a Coaches Award, Most Valuable Player, ACC Age Champion, ACC All Star Selection and Sportsperson of their Year Group. Please see below for the awards presented on the night.

As the sporting calendar year winds to a close, I would like to thank all those who have contributed to sport in some way in 2016. With over 640 students playing sport in some capacity, many people are involved to make it a success.

The generosity of the Irene McCormack Catholic College community has again been overwhelming. In just over one week, the College community came together, by way of Care Groups, to fill hamper upon hamper of wonderful Christmas and pantry goodies. In the coming weeks these hampers will be gifted to the St Vincent De Paul Christmas Appeal for local families who are experiencing difficulties, helping to give families a joyous Christmas this year.

Thank you to all who generously donated. Your gifts will be greatly appreciated by many this Christmas!

‘By every means I have shown you that we must exert ourselves in this way to support the weak, remembering the words of the Lord Jesus, who himself said, “There is more happiness in giving than in receiving.”’ Acts 20:35

Miss Cherie Milne
Christian Service Coordinator

IMCC Christmas Appeal & ‘Wrapping Up’ Irene’s Service for 2016

On this, the 25th Anniversary of the murder of Irene McCormack, we recognise the way she lived her life as a model of Christian Service. All Christians and Christian communities are called to live the Gospel values taught and modelled to us by Jesus. Irene McCormack, our patron, is a perfect example of someone who responded to her faith in Christ to serve others. This year we honoured Irene by rebadging our Christian Service Learning Program, now titled ‘Irene’s Service Learning Program’ or ‘Irene’s Service’ for short.

In Irene’s Service Assembly held this week, we congratulated all students and staff for their participation in Irene’s Service this year, and for students in Years 7,8,9 and 11 we acknowledged their efforts to complete the minimum requirement of the Program. So many of our students go above the minimum, entering into the spirit of serving others, in solidarity off their own initiatives, or in helping the College or other organisations make a difference.
So many outstanding contributors participate in home, school, parish service or assist external charitable agencies, such as Wheelchairs for Kids, Red Cross, St Vincent de Paul, Manna Inc and indirectly, the many Caritas Agencies.

Special thanks to Miss Milne, her team of helpers and all who contributed to our annual IMCC Christmas Appeal. Once again our community will make a significant contribution to families in need this Christmas through the hampers and gifts to be collected and distributed by the St Vincent de Paul Society.

2016 House Competition Winner

The Irene McCormack House Championship is conducted throughout the year. Points are earned through participation in all extra-curricular events such as CAS representative sports, training, music rehearsals, dance, drama and musical performances, and all acts of service which is above basic requirement or expectation. This year’s top house point earners for their year group and House Superstars are:

- Year 7 Chanel Collins (7 Evans B)
- Year 8 Lilly Varley (8 Dunlea B)
- Year 9 Amy Jo Bester (9 Evans A)
- Year 10 Eve Basson (10 McGarry B)
- Year 11 Leah Ayres (11 McGarry B)
- Year 12 Logan Mackay (12 Golding B)

The top staff house points earner making it back to back was:

- Mr Tony Summers (7 Evans B), closely followed by runner-up Miss Sinead Harte (10 Dunlea B).

The overall House Championships for 2016 were as follows:

- Dunlea 13,186
- Evans 12,039
- Golding 12,025
- McGarry 11,100

Congratulations to all contributors to their House, it was another close contest. To the students and staff of Dunlea House, well done and well deserved Champions!

Exploring Career Pathways at Edith Cowan University Joondalup

On Tuesday, 25th October students from Irene McCormack Catholic College and Sacred Heart College visited Edith Cowan University Joondalup. It was a wonderful opportunity to experience what it would be like to be a university student.
We were hosted by Dr Michelle Ellis from the School of Science who very kindly arranged for us to also visit the School of Nursing, Exercise and Health Sciences, the Police Academy, and to hear from the people who recruit and enrol students.

At the School of Nursing we were shown the hospital wards where the nursing students are able to put theory into practice. We also visited the Exercise and Health Sciences area where a lecturer explained how his students worked with players from the West Coast Eagles, gathering data and analysing their work output during an AFL game. At the School of Science two students studying at Masters level showed us how to create a website.

At the Police Academy our guide showed us the wreckage of a car that was involved in a crash. Always a reminder to drive safely and responsibly. We also watched the recruits practising for their Graduation Parade and saw part of a re-enactment of a police stakeout in their mock town.

I was very proud of the respectful way that the students engaged in the program and in their confidence to ask questions.

Morning tea and lunch was great especially the pizzas we shared for lunch. We would like to thank Mr Coutts and Mr Swindells for driving the bus, and all the people at the University who took the time to be with us and welcomed us into the world of a university student.

Most of all we would like to thank Dr Ellis for this great initiative and hope that we can strengthen our partnership with Edith Cowan University Joondalup.

Design & Technology

Congratulations to all senior Design & Technology students. They have been working hard all year and produced some magnificent projects made from pine and specialty timbers, and from steel and aluminium.
The students have produced products of their own design and have learned to use machinery and equipment to manipulate materials appropriately to realise their design aspirations. All senior projects are now available for collection by the students.

Mr David Williams
Design & Technology Teacher

Makerspace and Woodwork
This term Makerspace and Woodwork students in Years 7,8 and 10 have been using their design skills to create unique acoustic speakers and 3D printed products.

Design & Technology Teacher

Year 11 Photography

On Friday, 28th October, the Year 11 Certificate III in Visual Art class visited Perth City and North Metro TAFE for a day of art workshops. One of those activities was based around photography.

Students were given a list of themes to capture throughout the day. Some of the categories were shades of white, fruit or floral, perspective and faceless portrait. The activity made students assess their surroundings and think outside the box to capture a creative shot that would make their work stand out amongst the others.
Students were given a week to submit their photos to the College Art Department for judging. The most creative photos submitted were taken by Yasmine Fincken and Zoe McLean. We congratulate these girls on their win.

Our Workplace Learning Program at Irene McCormack Catholic College aims to prepare students to be ‘work ready’ for future employment and further study after school.

The success of the program for our students relies on the generous support of our community businesses and industry who become host employers for our students seeking work experience to further develop knowledge and skills within a chosen industry.

This event is to primarily thank our current host employers and supporters, and to provide a unique opportunity for potential host employers to learn more about our Workplace Learning Program and to network with other community businesses.
