Irene McCormack Catholic College celebrated our Opening School Mass and Investiture of Prefects last Friday, 5th February. Father Robert Carrillo was the celebrant. We were joined by Ms Bernadette McCormack, Sr Maree Ridler, Mr Chris Erikson the College Board Chair, and parents and family members of the 2016 prefects. The new staff and students were welcomed to our College Community.

At the conclusion of Mass there was a ceremony for the investiture of the 2016 Prefects. The prefect roles were introduced by their peers and gave a commitment to the College with the recital of the prefect pledge declaring their intent for their role. At the ceremony Year 11 Peer Support Leaders were introduced and presented with badges. The Peer Support Leaders undertake an important role with the orientation of Year 7 students to secondary school life.

**Year 7 2016 - A Great Start to Life at Irene McCormack Catholic College!**

We have had an extremely busy and fantastic start to the year. Our first day was filled with excitement and a touch of nervous energy, and overall it was a great day. We were very fortunate to have our Year 11 Peer Support Leaders for the morning to assist the Year 7 students and Care Teachers with some of the organisational needs, such as learning how to use locks.

On Tuesday the real classes began and as always we had several students looking lost as they tried to navigate their timetables. Fortunately there were many staff and older students to point them in the right direction.

The next few weeks are also very busy for the Year 7 cohort. I am very pleased with the way the students are approaching life in high school. They are polite and enthusiastic, and the nervousness they felt on their first day is certainly fading away.

On Monday, 15th February the Year 7 students will visit the University of Western Australia for a workshop called “Thrive - Everyday Leader”, which will assist in the transition into high school. We are all looking forward to this day. Students are required to be at the College by 7.15am and will return by 4.00pm.

**Year 7 Meet the Care Group Teacher Evening - Monday, 15th February 6.30pm**

On Monday, 15th February we are hosting a meeting to give parents an opportunity to meet the Care Group Teacher who will be responsible for their child from Year 7 through to Year 12.
We will begin in the College Library at 6.30pm for a brief introduction and information on how to use SEQTA, and then move on to the Care Rooms for the Care Group sessions. I cannot stress enough how important it is to make that connection with each student’s Care Group Teacher.

I am looking forward to seeing all parents there.

Mrs Michelle Smith
Dean of Year 7

Ash Wednesday

Ash Wednesday, the beginning of the journey to Easter, is a time for reflection on how we are living our lives. Lent is a time of preparation for Holy Week which culminates in the death and resurrection of Our Lord, Jesus Christ.

The 40 days of Lent reminds us of other significant times of preparation in the Bible:

- The ancient Hebrews wandered for 40 years in the desert before finally settling in the Promised Land;
- Jesus spent 40 days in the desert fasting and praying before beginning his mission.

On Ash Wednesday, students and staff gathered in Year groups to mark this special occasion in the Church’s liturgical calendar. Father Robert and Father Israel blessed the ashes burned from the 2015 Palm Sunday palms, and all students received a blessing and instruction to: “Turn away from sin and be faithful to the Gospel”. What a beautiful and powerful statement, reminding us to all that we can to reject selfishness, towards the Gospel of love.

At the heart of everything we do in recognising Lent is Jesus. He offered his life to us fully. Part of His expression of His humanity is witnessed in His expressions of love and struggles. Jesus modelled love through his great compassion, kindness, forgiveness and empathy. Jesus also experienced fear, pain, rejection and frustration in His life.

Lent provides us with an opportunity to make our own lives new. During this time we are invited to re-examine our relationships with each other and with God. Following Jesus’ example, we can reflect, pray, sacrifice and give generously to those in need. The theme for Caritas Australia’s 2016 Project Compassion Fundraising is: “Learning more, creating change”. Caritas Australia uses the raised funds to educate, train and share knowledge to empower individuals and communities in six countries around the world, transforming people’s futures and creating lasting change. Please support us by all contributing to this great cause.

We are reminded here that one of Sr Irene McCormack’s main focuses in Peru was to share her expertise and passion for farming to help up-skill the poor in Peru to grow their own food. She was all about education, genuine care and brighter futures for all.

Mr John Swindells
Dean of Campus Ministry
Shrove Tuesday – Pancake Day
Tuesday February 9th 2016

This year the students celebrated Shrove Tuesday with Pancakes during Care.

The day before Lent begins is called Shrove Tuesday. It was called Shrove Tuesday because people were first called to the church to be ‘shriven’, which means forgiven for all their sins in preparation for Lent. It became a custom of celebration or carnival in some countries or ‘Pancake Tuesday’ in England.

Mr Kevin O’Brien
Head of Religious Education

2015 Year 12 High Achievers

On Thursday, 11th February, the Year 11 and 12 students joined in a celebratory assembly to congratulate four 2015 Year 12 students who achieved an ATAR of 90 and above. Krista Stefanetti, Anissa Abdennebi, Jade Larkman and Thomas Welsh shared with the students the secrets to their success. Krista with an ATAR of 94.5 will attend the University of Western Australia and study Anatomy, Pathology and Laboratory Medicine as part of her Bachelor of Science Degree. She will be joined by two other former Irene McCormack Catholic College students; Jade Larkman who received an ATAR of 91.85 and who will study a Bachelor of Science Degree double majoring in Zoology and Conservation Biology, and Thomas Welsh, who with an ATAR of 90.15 will study a Bachelor of Commerce Degree. Anissa Abdennebi attained an ATAR of 94.95 and with her scholarship from Murdoch University, will study a Bachelor of Arts Degree double majoring in Law and History.

We congratulate these students and wish them well in their future endeavours.

Ms Nancy Bonfiglio
Deputy Principal

Student Excellence

In the coming weeks Certificates of Excellence will be presented to students for Excellence for Care Group and Course Learning Attributes on the 2015 report. To receive the award students achieved excellent for the Care Group criteria of Punctuality, Uniform and Personal Grooming, Cooperation in Care Group and Participation in College Life. Students also had to achieve consistently in all courses for the Learning Attributes of Focused Towards Achievement, Effectively Organised, Behaves Responsibly, Completes Set Tasks and Works to the Best of Ability.
Congratulations to the following students who reached the highest standard for Learning Attributes in 2015.

Year 8 Parent Information Evening

It was a great opportunity to meet families at the Year 8 Parent Information Evening held in the Library on Monday, 8th February. The evening commenced with a warm welcome and prayer by Mr Marshall, our College Principal, followed by Year 8 students Nicolas Wood and Lilly Varley sharing their reflections and experiences.

One of my aims this year is to work in partnership with students, parents and staff to create opportunities in all facets of College life, including teaching and learning, pastoral care and faith and life. Year 8 pastoral and curriculum matters were also discussed.

Mrs Bridge, the College Psychologist, and Mr Blair, Head of Information Technology spoke about our students using technology and social media responsibly. They also provided valuable insights and strategies to encourage parents to have conversations with their children about being a responsible cybercitizen.

The powerpoint has been uploaded to the College website under the Student Learning tab, for parents who were unable to attend the evening.

Thank you to the students, parents and staff who attended. We look forward to working with your children.

Please do not hesitate to contact your son or daughter’s Care Group Teacher or myself at the College.

Mr Andrew Donaldson
Dean of Year 8
We have received messages from Archbishop Timothy Costelloe and the Executive Director of Catholic Education, Dr Tim McDonald, extending their prayers and thoughts to all students, staff and families for the 2016 school year. We present their letters in full.

**Messages from Most Rev Timothy Costelloe SDB**  
**Archbishop of Perth and Dr Tim McDonald,**  
**Executive Director of Catholic Education**

---

**Dear Friends and Colleagues,**

As I did last year I want to take this opportunity to wish you all a very happy and fulfilling 2016 as the new school year gets underway. In a special way I want to acknowledge all those who are joining our Catholic system for the first time. I hope you find your time with us to be richly rewarding.

In our Catholic world this year we are living a jubilee Year of Mercy, called for by Pope Francis. For that reason I want to invite all of you to put at the heart of your efforts this year this quality of mercy. No doubt "mercy" means different things to different people. In my own reflections I have come to think of it as being all about "large-heartedness". Mercy calls us to go beyond the letter of the law, or the strict limits of our contracts, or overly-careful calculations about what we or others deserve. "Large-heartedness" calls us to look at life through a different lens, with different eyes. We don't look so much at what we, or others, deserve or have earned or have a right to. We look at what will be most enriching, life-affirming and uplifting. We try to look at a person's deepest needs and hopes, rather than at their "just deserts".

In our schools this will obviously play out in our relationships with the young people we serve who are, of course, our central concern. But it will also play out, very importantly, in our relationships with each other, and with the parents of our young people, even those who can at times be very demanding or even, in our view, unreasonable.

Pope Francis has reminded us that Jesus himself is "the face of the Father's mercy". A Catholic school community, grounded as it must be on the person and teachings of Jesus, has as a primary responsibility the task of reflecting this face of Jesus, this face of mercy, to all those who come in contact with the school. But as well as being a serious obligation for all of us who are part of a school community, this is also a recipe for a truly harmonious, happy and life-filled school.

May your school be a reflection of the face of divine mercy in 2016.

Yours sincerely in Christ

---

Most Rev Timothy Costelloe SDB DD  
Archbishop of Perth
Dear Parents/Caregivers

Welcome to the start of the 2016 school year. The year promises to be full of possibilities in all our 163 vibrant, faith-filled learning communities each of which are centred on the person and teachings of Jesus Christ.

Pope Francis has declared 2016 the ‘Year of Mercy’. This challenges us all to be ‘merciful like the father’ in our daily lives. Imagine the transformative effect our school communities could have on society, if we were to take up Francis’ challenge, in our families and those we work with, as well as those who find themselves alienated, lonely and despised in society. Your school community will be creating a range of opportunities for students and families to honour and celebrate this special year and I encourage you to get involved.

If you are new to our system I would like to extend a very warm welcome to you and your family. You are joining Catholic education at an exciting time. We are in a period of significant growth and we have once again demonstrated sustained system-wide improvement in last year’s WACE results.

In the last three years we have opened seven new schools and colleges and 2016 marks the opening of Salvado Catholic College for the first time. I wish the students, parents and caregivers involved in the College’s foundation year all the very best.

All Catholic schools rely on the contribution of the parish, staff, students and parents working in partnership to sustain their vibrancy, educational excellence, and faith life. With your support and involvement in your child’s learning, the efforts of more than 11,000 dedicated school staff and principals can ensure that our Catholic schools help students across the state reach their God-given potential.

Thank you for your continued support and I wish you all the best for the year ahead.

Yours sincerely

Tim McDonald

Year 12 News

Year 12 Parent Information Meeting - Tuesday, 16th February
On Tuesday, 16th February there will be a Year 12 Information Evening held in the College Library. Tea and coffee will be available from 6.00pm and presentations will begin at 6.30pm. A number of staff will be present who will explain the process for Graduation and important events for the year ahead. All students were given a letter with a reply slip at the start of the week.

Studentbox Presentation
Students enrolled in ATAR subjects were introduced to the online social media-based community of Studentbox on Tuesday. Studentbox provides useful tools and study resources to help make Year 12 study and exams easier.

**Year 12 Ball – Friday, 26th February**
The Year 12 Ball is fast approaching. Tickets have been available for purchase this week and will be available for purchase until the end of the day on Monday, 15th February. More details regarding the Ball will be sent out closer to the event.

**Year 10, 11 and 12 OLNA**
All students in Year 10 who did not meet Band 8 in NAPLAN will undertake the respective OLNA assessments in Weeks 6 and 7.

Students in Year 11 and 12 who did not pass OLNA in Year 10 will also undertake the assessments. The respective Dean of Year will contact parents and students regarding this.

Further information regarding OLNA will be published closer to the assessments.

**Mr Andrew Billingsley**
Dean of Year 12

**Music**

Towards the end of last year one of our Year 11 Music students, Sean Butler (winner of the 2015 Top Instrumentalist Award and presented with 2016 Music Captain), auditioned for a place at WAAPA (West Australian Academy of Performing Arts). Sean was successful in his audition and has accepted a place in the Diploma of Performing Arts (Jazz).

We wish Sean every success in his musical journey.

It is very exciting for the Music Department to announce two positions that have been taken up. We are thrilled to present Ryan Collinson, along with Reagan Whiting, as the 2016 Music Captains. Ryan is involved in a large number of extra-curricular bands and ensembles, and is extremely committed to the Department.
Year 9 student, Alex Hardy, has accepted the role of lead guitar for the 2016 Production of Wonderland. Alex is a very talented guitar player who is enrolled in the Year 9 Specialist Music Program and is a member of the Year 9 Rock Band.

Congratulations to Alex and Ryan.

There are lots of exciting things happening within the world of music at IMCC and we look forward to sharing them with you throughout the year!

Miss Kylie Malam
Head of Performing Arts

Reconciliation in 2016

In 2015 a total 30 Sacraments were received by students. Of the 30 students, 11 chose to prepare and receive the Sacrament of Reconciliation throughout the year. This is our highest number since the commencement of the Sacramental Program in 2011. Reconciliation (also known as Confession) is a celebration of God’s forgiveness for the times we have failed to live according to the plan that God has for us. The Sacrament also reconciles us with God and the Church, and reminds us of the importance of forgiving others. This year, students will be prepared for the Sacrament over a series of five classes where they will learn about why Reconciliation is important, how we can strive to live holier lives, examples of forgiveness in the Bible, how it applies to them in a personal way, and the practical format and procedures of the Sacrament. Preparation will begin on 16th February.

If you are interested in enrolling your son or daughter into the Sacramental Program to receive the Sacraments of Baptism, Reconciliation, Holy Communion or Confirmation, you can contact Miss Kym Krishnan at the College on 9562 2400 or by email at Krishnan.Kym@imcc.wa.edu.au.

Mr John Swindells
Dean of Campus Ministry

Junior Dance Team Auditions

On Tuesday, 9th February 58 Year 7 and 8 students auditioned for this year’s Junior Dance Team. All students were taught a phrase of dance which they performed in small groups as a part of the audition process. Every student was placed into one of two teams, giving all students the opportunity to be part of an extra-curricular dance team. Rehearsals will start next week on Tuesday and Wednesday afternoons. Students will be advised on Friday which team they have been placed in.

The Elite Junior Dance Team will perform a 1950’s swing dance at this year’s Catholic Performing Arts Festival in August. Wearing 1950’s clothing and dancing to music of the era, students will set the scene in a 1950’s ‘milk bar’.

Students who were placed in the second Junior Team will be performing at Orientation Day, Escape Festival and Sounds at Sunset in Term 4.

It was so pleasing and encouraging to see such a huge turnout at the auditions and I would like to thank all students for their hard work, confidence and bravery during the auditions.

Miss Sinead Harte
Dance Coordinator
Study Tips

Research shows that successful students work to a timetable. Help your children plan their week to include study, catching up with friends and playing sport. In addition, all teachers have now provided each student with the program and assessment outline in hard copy or on Seqta. Knowing all of this information in advance can help ensure that preparation in the lead up to assessments is done at a measured pace.

Keep in mind:
1. The most effective study is in sessions of up to 45 minutes.
2. Study is best done when most mentally alert.
3. More time should be given to difficult and least-liked subjects.
4. It is important to factor in assessment dates and allocate more time to these subjects as deadlines approach.
5. Whether or not your child is given homework, revision of what was learnt for the day is important.

Ms Nancy Bonfiglio
Deputy Principal

Cybersafety: Support services and agencies for parents and young people

Listed below are two sets of specialist agencies. One list identifies agencies which offer help to young people both online and in person. In particular, they offer help to young people who are having issues on or offline, displaying signs of distress, or behavioural or mood change. These can be related to a wide range of issues. The other list details agencies which provide support to parents and carers. One particular agency is the Office of the Children’s eSafety Commissioner (https://www.esafety.gov.au/).

The Cybersafety Help Button at this site gives easy access to cybersafety information plus assistance regarding unwanted contact, scams, fraud and offensive or inappropriate material. It also allows you to report any of these misbehaviours directly from the site.

Please contact Mr Rob Blair, Head of IT Curriculum to discuss technical and interpersonal cyber issues. Please contact our Deans, teachers or Mrs Bridge regarding cyber and student wellbeing, or any other concerns.

For Students

Kids Helpline
For 5-25 year olds. Kids Helpline provides phone and online counselling 24 hours a day, 7 days a week on 1800 55 1800.

Youth Beyond Blue
Youth Beyond Blue offers phone and online counselling 24 hours a day, 7 days a week on 1300 224 636.

eheadspace
For 12-25 year olds. If in need of support or worried about mental health call eheadspace 1800 650 890 10pm-1pm or chat online 24 hours a day, 7 days a week. Visit Headspace in Joondalup for person-to-person support.
Reachout.com
An internet service for young people. Provides information, support and resources about mental health issues and wellbeing. It includes a Chat Service. It is NOT a counselling service.

For Adults
Office of the Children's eSafety Commissioner.

Mrs Dianne Bridge
College Psychologist

Miss Billam at Perth Glory

Former Student and current IMCC relief teacher & soccer coach, Miss Shawn Billam was featured in an article on the Perth Glory newsletter and website. The article is entitled “Billam dedicated to the future of football” and it focuses on her work at IMCC and the way we support her in her Woman’s Glory career as well as her work with our students.

Miss Billam said “I would love to teach full-time eventually, but relief work is good enough for the time being and allows me plenty of time for football. I’m very lucky to work at a school that fully supports my commitments and does not give me grief for having time off for football.”

In addition to serving as a relief PE teacher, Miss Billam also coaches for the girls’ soccer team once a week. “The girls I coach think it’s awesome that I play for Glory Women. Some of them come down to watch the games!”

“I continue to play to prove people wrong and grow the game for females. So many times we are told that playing football will get us nowhere and as a teacher I want to show the girls I teach that there is a pathway for them if they wish to play.”

See the full article at http://www.perthglory.com.au/article/billam-dedicated-to-the-future-of-football/vxmtgrp0qmkv1hmibkytrz0i4#mh2cBdQRikE23iH0.99
