Welcome Back for Term 4

It is very hard to believe that we are already into the last term of the year.

On Monday we welcomed back Ms Debbie White, Dean of Year 9, after a well-deserved long service leave.

Students returned to school in a positive manner and we have received many commendations about the standard of student uniform and grooming. Some girls have grown taller since Term 1 and have needed to lower the hemline of their school dresses.

Academic Scholarship

It is a pleasure that the College announces that the recipient of the Academic Scholarship Year 7 2017 is Krystel Gapuzan from St Andrew's Catholic Primary School.

Criteria considered in the selection process were the demonstration of excellent school work habits and attitude to learning, and making a commitment to participate in College co-curricular programs.

We congratulate Krystel and wish her great success and enjoyment for her education at our College.

Dance Night

On Tuesday, 20th September, 140 students performed at Dance Night which was held at Peter Moyes’ Allan Shaw Centre. Over 300 people attended the evening which created a great atmosphere for the students to perform in. Students performed dances learnt in class including Bollywood, Hip Hop, Latin, Jazz and Contemporary dance styles. The Junior Dance Team, Senior Dance team, Rhythmic Thunder and Hurricanes Cheerleading team also performed their Swing dance, Contemporary dance, Peruvian dance and Cheerleading routine on the night.

The students all performed with maturity and enthusiasm, with some students performing pieces choreographed by themselves, including acrobatic routines, contemporary solos and trios. Videos of Dance Night can still be purchased from Miss Harte. Students are to supply an 8GB USB and $2 for a copy.

One junior and one senior Dance student received Best Performer Awards, received by two students who were outstanding on the night and demonstrated both excellent technique and performance qualities. These were awarded to Katie Francis in Year 8, and Emilee Erikson in Year 11.

Raffle ticket sales also raised almost $400 for Shopfront. Shopfront is a charity that aims to relieve poverty and suffering in an environment that offers practical assistance, fellowship and hospitality.

The night was a huge success! I am extremely proud of each and every student who performed on the evening and the hard work they have all put into preparing for the evening prior to the performance.

Soundscape Festival

On Friday, 25th October we celebrated the Performing Arts with the annual Soundscape Festival. The day had a hesitant start with rain and wind but as they say, the show must go on and what a show it was!
Bands, soloists and dancers took to three stages located around the College and performed to their peers, allowing the whole College community to enjoy the product of the students’ hard work this year.

Prior to the Festival starting two workshops were held in the music rooms. University of Western Australia’s DJ group, EMAS, conducted two sessions for students to experience and learn how to control the decks and mix tracks. The workshop gave students hands on experience into the world of being a DJ and was a great success.

Our guest artist for the Festival was local R&B artist, Talia Hart who held a band workshop. The instrumental students selected for the workshop enjoyed learning two tracks with Talia and performed them on the Festival main stage. The students involved were fantastic.

Thank you to all students who performed on the day to such a high standard. The time, effort and dedication our students put into their performances is amazing! Thank you also to all students who participated in the day. Together you all made the day the success it was.
Congratulations to the following students who won awards on the day:

Badminton Club

The Physical Education Department will be starting a badminton club during Term 4 on Thursday afternoons, starting 27th October. The idea behind the club is for students to learn to play a new sport in a friendly social environment, with no badminton experience required.

For further details, students should attend a meeting in G104 (located next to the PE Office) in the Paul Rafter Centre, at lunchtime on Monday, 17th October.

Head of Health and Physical Education

Year 7 Sam Kerr Shield

In Term 3 the Year 7 Girls Soccer team played against other local schools in the Sam Kerr Shield Tournament. The day was dampened by rain, however the girls, as determined as ever, fought through the rain to finish top of the table facing Peter Moyes Anglican College in the finals.

With 10 minutes to play the girls were losing 3-1, but came alive to bring the game into extra time locked at 3-3. Extra time took the game go to 4-4, and a penalty shoot. The first five penalty shots were equal and so golden goal came into place. Golden goal requires the teams to take penalties until someone misses their shot.

Peter Moyes went first in the shoot out and missed, leaving the fate to Monica Yengi who scored the winning shot. Huge congratulations to our Year 7 Girls who showed great passion, resilience and sportsmanship.
Mr Stefanoff and I would like to thank the girls for their efforts and determination, and the supporters and parents who gave their support on the day.

**Call for communities of compassion as population ages**  
**Media Release - September 2016**

As more and more Australians are living longer, we should celebrate the great ‘success story’ of our ageing population and, as a fair and compassionate nation, foster solidarity among all generations. Australia must protect older people who are most vulnerable to hardship and who are at risk of feeling they are a burden on society, says Bishop Antoine-Charbel Tarabay of the Australian Catholic Social Justice Council.

Bishop Tarabay was speaking at the launch of the Australian Catholic Bishops’ 2016-2017 Social Justice Statement, entitled ‘A Place at the Table: Social justice in an ageing society’.

The Statement highlights the significant contribution that older people continue to make to the life of the community. The number of Australians aged 65 and over will more than double from 3.6 million today to 8.9 million by the middle of the century. Around 75 per cent of men and 85 per cent of women are reaching retirement in good health and with around 20 years of life ahead of them.

There is a risk, however, that a society ill-prepared for demographic change may assess these trends as an economic threat. Already, we hear divisive terms such as ‘intergenerational theft’ or invidious comparisons between ‘productive workers’ and ‘burdensome retirees’.
Our community must ensure that both the costs and the great benefits of an ageing population are shared equitably. Where policies encourage longer working lives, we must ensure that vulnerable groups share the benefits of employment and are protected from poverty in their later years. Where aged-care sectors are being opened to market competition, we must ensure that those with limited means receive the dignified and adequately funded care all are entitled to. The Statement points out that particularly vulnerable people can be exposed to loneliness, ageism and elder abuse.

The Bishops challenge a ‘throw-away’ culture that casts older people as being burdensome or even dispensable. They strongly affirm the sanctity of life and call for a culture of compassionate care that values and protects people in their final years. The elderly retain the intrinsic dignity which all children of God possess. Indeed, the love of Christ urges us on to care for them (2 Corinthians 5:14).

The Bishops call for communities that foster solidarity among the generations and ensure older people have their rightful place at the table.
