Year 8 Reflection Day

On Friday, 12th August, the Year 8 students actively participated in their Reflection Day in Osborne Park at the Disciples of Jesus Covenant Community Centre. The theme of the day was 'What do We Stand For' which enabled Year 8 students to discuss a range of values and Gospel values which they stand for with their Care Group Teachers.

The Year 8 students represented the College with pride and members of the public commented on how well behaved the students were throughout the day.

Father Israel celebrated Mass for staff and students reflecting upon the many valuable discussions and activities about how the Gospel Values are relevant to students in today’s society. Ms Bonfiglio and Miss Milne provided insightful and thought provoking presentations to the Year 8 students which challenged them to reflect upon the values which are important to them.

Thank you to Father Israel for celebrating the Mass, to Mr Andrew Donaldson and Mr Swindells for the overall organisation of the Reflection Day, and Ms Bonfiglio and Miss Milne for their presentations on the Gospel values. Thank you also to the Year 8 Care Group Teachers - Mrs Bell, Mrs Flematti, Mr McHale, Mr Mirco, Mrs Needham, Mr Stefanoff, Miss Thomson and Mrs Wilder.

Upcoming School Arrangements

Just a reminder that there will be no school for students on Friday, 19th August and Monday, 22nd August. These days should be used by students for home study with assignments, revision and catch up on work, particularly for those students who have been ill and have missed classes in recent weeks.

On Wednesday, 24th August students will have Monday’s timetable make up for one of the Mondays without school during the term.

Year 10 Coastal Excursion

The final two groups of Year 10 students braved the elements to complete their fieldwork on coastal erosion and management strategies in the local area. One group in particular encountered almost Arctic conditions during the day, but still managed to identify the many challenges that our coastline is currently experiencing.

The students will take their knowledge from the trip and try to put it into practice in the classroom. They will be asked to produce a sustainable coastal management strategy of their own.

The students also visited the Alkimos Landlease development and looked at ways in which developers can minimise the impact their construction work has on the environment.

Thank you to Mr Coutts for accompanying the students on the excursion.

Year 12 Perth Excursion

On Wednesday, 10th August the Year 12 ATAR Geography students spent the day carrying out fieldwork in and around the City of Perth.

The day started with a trip to Kings Park where the students completed field sketches of West Perth and the CBD. From Kings Park the students had their walking shoes on and identified and photographed processes and characteristics of the city centre, Northbridge, East Perth and West Perth. They were also able to take in Perth’s many new developments such as Elizabeth Quay, Perth City Link and the new stadium.
The trip was very beneficial to the students as they were able to see and experience some of the processes they have been studying in class. Thanks to Mrs Baker for accompanying the Geography class on the excursion.

The Catholic Performing Arts Festival

We have now reached the halfway mark of the Catholic Performing Arts Festival. It has been wonderful to watch our students showcase their talents to audiences across Perth. The standard they have brought to each and every performance is outstanding. They have done themselves and the College extremely proud.

This week the Brass and Woodwind solos were held at Zenith Music, Claremont. What a fantastic day! Students from Years 7-12 took to the stage with confidence and performed very well. A range of styles amongst the students showed the diversity we have at the College within our instrumental program. Each student received a glowing report.

I’d like to take this opportunity to thank all family members, friends and staff that have come along to watch performances. It is an extremely busy time for the Performing Arts students and we appreciate the time you have taken out of your day to support us.

Best of luck to all students in their performances over the coming weeks.

Congratulations to the following ensemble and students who received an award at the Festival:

**Certificate of Merit**  
Swing Band

**Honourable Mention**  
Logan MacKay (Drama Solo)

Senior Girls Soccer into Northern Semi-Finals

On 10th August the IMCC Senior Girls Soccer Team hopped on the bus driven by Mr Bright to Mater Dei where they played in the SSWA soccer northern quarter finals.

The very young team started off the game strongly, with Ejay Doust scoring the first goal within five minutes. The girls continued to score, with Alex Robinson and Aluel Nul also getting on the score sheet. Ejay then completed her hat-trick with two more goals. IMCC led 5-0 at half time.

In the second half, the girls continued to display excellent tackling and passing skills, which resulted in another three goals added by Elissa Price, with Aluel and Alex also scoring again. The girls finished very worthy 8-2 winners.

The girls now play Woodvale SHS in the Northern Semi-Final on Wednesday, 31st August at Chichester Park, Woodvale. The Senior Girls are keen to put on a good display as they were knocked out by Woodvale in the Northern Final last year.

Congratulations girls on a great win and good luck in the Northern Semi Final.

Football Academy News

The Year 8/9 Academy Girls played in two Preliminary Finals games on Wednesday, 17th August in very trying weather conditions with mixed results. The IMCC A team had a massive win beating Ocean Reef SHS by over 100 points and sending them into the Grand Final. Unfortunately, the IMCC B team came up against a very slick Mater Dei outfit and lost by 7 goals.

On Wednesday, 24th August, the Grand Final will be IMCC v Mater Dei to be played at Irene McCormack school oval at 4.00pm. It would be great to see family members, friends and staff come down and support the girls as they play in the inaugural Youth Girls Grand Final.

Intermediate Boys Soccer Team

The Intermediate Boys soccer team is made up primarily of Year 10 boys. They were drawn to play at Ballajura Community College in the last 16 of the state. The side had several players missing due to training and injuries but the boys were confident of a win.

In only the second minute, Aiden Carpenter sent a goal kick deep into the BCC defence and Ewan Brazier scored the opening goal. However, only 2 minutes later, BCC played a delightful through ball and finish to make the score 1-1. BCC dominated the next 15 minutes and narrowly missed on a couple of occasions and had a shot hit the cross bar.

On the 20 minute mark, IMCC had a free kick and the long kick bounced before Ewan again pounced, heading the bouncing ball over the goal keeper to take a 2-1 lead.

Just over 10 minutes into the second half, Ballajura tied the game at 2-2, then scored another goal scoring the winning goal and a 3-2 lead.
IMCC were unable to equalise and unfortunately were eliminated from the competition in the final 16 stage. It was another successful year for the Year 10 team and despite looking to advance a few stages further in this competition, they worked hard all season and played some amazing football.

Best of luck next season boys.

Soccer Academy Coordinator
