From the Principal

Nepal Earthquake

It has been almost a week since the massive earthquake devastated Nepal. With nearly 6,000 people reported to have lost their lives and an estimated 8 million people affected by the disaster, there is urgent help required from government and welfare agencies, including the Catholic agency, Caritas.

In these situations, most us feel as if there is little we can do to help. As a school community we are able to assist by keeping informed of the situation in Nepal through media sources, praying for those affected and for the emergency aid workers assisting the Nepalese communities, and by making contributions to agencies such as Caritas Australia. Caritas Australia has responded quickly, in partnership with Caritas Nepal and the international Caritas network, to provide vital necessities like food, water and tents to those impacted.

We are celebrating Irene McCormack Day next Friday, 8th May. Proceeds from fundraising activities are always directed to the Archbishops’ Lifelink appeal for Perth Catholic welfare agencies. This year we are encouraging our students to make an extra effort with fundraising so that we may also donate to the Caritas appeal.

We remember that Irene McCormack worked for Caritas in Peru.

If you would like further details of the work of Caritas in Nepal or if you wish to make a donation to the Caritas Nepal Earthquake Appeal, please access the website http://www.caritas.org.au/learn/emergency-response/nepal-earthquake-appeal

Teaching and Learning Programs

The College teaching and learning programs for each subject are now available on the College website in the Curriculum section http://www.imcc.wa.edu.au/curriculum.html

The programs may be helpful to parents for
- Assisting students cover work when they have an absence from school.
- Conversation starters with sons and daughters about school work.
- Background information when communicating with teachers.

Library News

ANZAC Display

As a part of ANZAC Day commemorations Miss Lawson has set up a display as a result of the Year 9 SAE assessment based on the research of an ANZAC soldier.

Call in to the Library to view the display and use your devices’ capability to access information about the soldiers who took part in World War One. They are not a lot older than many of our students.

WAYBRA

The Library has set up a display of child chosen books. Please encourage your child to come in to select a book and vote on it, for a chance to win a prize. If your child enjoyed a book, please encourage them to nominate the book for next year’s competition.

Mr Edward Bryant
Head of Library

Year 11 Chemistry Excursion
On Wednesday 22nd April, the Year 11 Chemistry classes visited The ChemCentre in Bentley as part of their Chemistry course. The excursion involved gaining an understanding of both the theoretical and practical aspects that the ChemCentre is involved in, being environmental chemistry, forensic science and emergency response.

With a tour of one of the laboratories, a talk on how chemistry is used in forensic science, a demonstration on how to manage chemical hazards to protect the community and of course the obligatory explosions when testing different substances, much fun and of course learning was had by all.

Mr Peter Boylen
Chemistry Teacher

Outdoor Education 3AB Exmouth Expedition

At 6am on 18th April, our OED 3AB class of 2015 packed all our gear and began the long journey to Exmouth. After looking forward to the trip for two years, our self-named ‘Ningaloo Crew’ finally arrived at the Cape Range National Park, pumped and ready for three days of snorkeling and kayaking along the pristine Ningaloo Reef.

Along the way we saw an abundance of beautiful marine life including turtles, reef sharks, stingrays and a wide variety of tropical fish. The entire expedition allowed us to appreciate the natural environment and experience more of what the North West coast has to offer. We also had the opportunity to lead our fellow classmates over the epic journey which taught us valuable leadership and life long skills.

Overall it was a once in a lifetime experience that brought the entire crew close together by sharing such an unforgettable adventure. It was “sooooo good”.

Thank you to the teachers - Mr Bright, Miss Lewy and Miss DuRandt who made this trip possible.

Outdoor Education 3AB Class of 2015
Winter Sport

This term we have a number of different teams competing in various competitions.

**CAS Sport**
Year 7 Girls Netball
Year 7 Girls Soccer (Soccer Academy)*
Year 8 Girls Netball
Year 8/9 Girls Soccer (Soccer Academy)*
Year 9 Netball
Year 10 Girls Netball
Year 11/12 Girls Netball
Year 7 Boys Soccer (Soccer Academy)*
Year 7 Boys AFL (Football Academy)*
Year 8/9 Boys AFL (Football Academy)*
Year 9 Boys Soccer (Soccer Academy)*
Year 10 Boys Soccer (Soccer Academy)*

* Please note that Academy teams may include other students who are not part of the Academies.

**School Sports WA**
Year 8 Boys Soccer (Soccer Academy)
Year 11/12 Boys Soccer

**Sports Ready Cup (AFL)**
Year 10/11/12 Boys AFL

Mr Devin Martin
Head of Sport
Lifting the Trophy for Western Australia

Congratulations to Dane Luitingh in Year 8 for being selected as the Captain of the State Athletics U13 team. Dane competed on the ANZAC weekend and came second in the U13 Boys Relay and placed third in the U13 80 Metres Hurdles.

Moreover, the Western Australian team won the Competition and Dane collected the trophy for the State. Well done on your great achievements.

Mr John Power
Dean of Year 8

National Championships for Jacob

Jacob Lewis (7DB) has qualified with the Northern Metro Little League Baseball team to compete in the National Championships being held in NSW. Congratulations on such a wonderful achievement. We wish him well in the competition in June.

Mrs Michelle Smith
Dean of Year 7

Dr Arne Rubinstein – An Evening for Parents

Dr Rubinstein's presentation will provide clear guidelines regarding what boys and girls need at different ages and provide practical solutions to help them deal with the issues that teens are confronting today, including technology, drugs, alcohol, sex and mental health issues.

Topics Covered:
• Now parenting needs to change once children become teenagers.
• How to help teenagers become motivated and inspired about life.
• Tarot readings around adolescence.
• How to help teenagers avoid peer pressure.
• The impact of technology.
• How parents can help their teenagers develop a healthy personal identity.
• The need to create appropriate coming of age rites of passage ceremonies.

Dr Rubinstein is a global expert on Rites of Passage. He worked as a Doctor for 15 years specialising in Adolescent Health, Preventative and Emergency Medicine, before setting up practice in 2008 to work full time with young men and women. The programs and seminars Dr Rubinstein开展了 been attended by over 50,000 people around the world and his books, 'The Making of Men', a practical handbook for parents and teachers of boys and the culmination of over 20 years expertise in working with teenagers has become a best seller. In 2008 Dr Rubinstein was nominated for Australia of the Year for his groundbreaking work with youth and he has worked with many schools. Dr Rubinstein was the CEO and cofounder of the Pathways Foundation and more recently the founder of Lifting Australia, a not for profit set up to improve the emotional wellbeing and resilience of children and their families around Australia.
