Best Wishes to the Members of the Class of 2016

Year 12 students finished formal classes this week, the end of 12 years of primary and secondary education. The occasion was marked today with a breakfast, farewell College assembly and Mass of thanksgiving at St Andrew’s Parish Church.

We extend our prayers and best wishes to all Year 12 students who prepare for the final school assessments which commence in the second week of the term break and subsequent ATAR examinations in November.

We wish all students and staff a well deserved holiday.

We farewell Ms Kate Murphy who has covered science classes for Ms Debbie White who has been on Long Service Leave, and Mr Peter Boylen who has been Dean of Year 9 this term. We thank Ms Murphy for her dedicated work and care for our students, and wish her well for the future.

Students in Years 7-11 return to school on Tuesday, 11th October. The College office will be open from 9.00am-3.00pm during the school holidays except for Monday, 10th October when it will open at 12noon.

2016 Year 7 Perth Zoo Excursion

On 29th and 31st August the Year 7 Science classes visited Perth Zoo. The students spent the day at the zoo filming for a news report assignment as part of this term’s Biological Course Study on endangered animals. The animal chosen needed to be either near endangered, endangered or critically endangered.

The students attended a presentation called *Danger Games* where students voted on a selection of animals common to Western Australia, that would best survive various impacts to their habitat. The result was that the bobtail lizards would best survive because of their ability to store fat in their tail, that they can hibernate when little or no food is available and can draw on the fat reserves to stay alive while conserving energy.

The Year 7 students enjoyed the day.

**Year 8 Academy Camp Report**

On Wednesday, 14th September, the Year 8 AFL and Soccer Academy Students embarked on their annual three day Year 8 Academy’s South West Tour. The aim of the tour is to further increase the bond between the students in the academies, develop their team work and leadership skills, as well as to compete against Catholic Schools in the South West of WA.

The first stop was in Bunbury to play against Bunbury Catholic College. The AFL was played at their College Oval and the soccer was played at the Bunbury Soccer Drome. The four games were all of a high standard although we had mixed results. Both the Girls AFL and the Girls Soccer teams won their games, but the boys weren’t as fortunate with both the Boys AFL and the Boys Soccer teams having narrow losses.

We then headed to the Busselton Baptist Camp, our home for the next two nights. Once everyone had settled into their dorms, the students had their cool down walk along the beautiful beach of Geographe Bay, enjoying each other’s company, the sand and water. The night games and ‘spot light’ made the first evening an enjoyable one for the students.

On the second day, the students were up early and prepared themselves for the main event in the MacKillop McCormack Shield games, making their way to Busselton Oval for their games against St Mary MacKillop College. It is great to forge this relationship with the only other Josephite school in Western Australia! After losing on overall results in the inaugural competition last year, IMCC were keen to win the shield. Proudly, all four teams had fairly dominant victories and the shield now resides at IMCC. The sausage sizzle provided by MacKillop College was a great way to end the games and further enhanced the bond between the two schools.

Unfortunately, bad weather hit during these games and remained for the rest of the camp. We managed to hold some team challenge games in the afternoon and ended the night with a movie in the hall.

The Year 8 Academy Camp is a highlight for the Academies and this year was another successful camp, with fun times and victories in 6 out of the 8 games played.
A huge thanks to Miss Milne, Mr Beissell and Mr Carbone for giving up their spare time to come and assist on the camp. They helped make the camp the great success it was.

Kaboom Percussion Group

On Friday, 16th September the College was lucky enough to host the Kaboom Percussion Group. Kaboom Percussion are a full-time duo based in Perth, specialising in school incursions, workshops, percussion ensemble music, holiday programs and large scale projects.

The duo has over 4 million followers on YouTube, including a viral cover video of the Game of Thrones theme song.

The group facilitated an extremely exciting incursion with the music students from Years 7-10 which included two incredible performances by the duo, a songwriting workshop, and group rhythmic performances. Our students were left in awe of the incredible musicianship and passion of the pair.

The Senior Girls Soccer Team won their way into the SSWA Shield Final and were drawn to play against Australind SHS at Macedonia Park on Tuesday, 13th September. The girls had a full squad for the game and were ready for the challenge of playing a top soccer school at NPL stadium.

The game was a physical encounter and an exciting one to watch. The IMCC girls had more chances and possession in the first half, but Australind scored the opening goal after 25 minutes. The game went from end to end with IMCC continuing their dominance but unable to score, trailing 1-0 at half time.

IMCC came out firing in the second half and played some brilliant football. It only took seven minutes for the girls to equalise when Sophia Neal smashed one from just inside the box, going in at the far post. On the 18 minute mark, Dee Hayes beat the Australind keeper and IMCC had the lead 2-1. Unfortunately the girls only held the lead for just over 10 minutes as Australind scored from a corner to level the score.

In the last 10 minutes, IMCC continued to dominate and were very unlucky not to regain the lead as Sophia hit the post and the girls had a 1 on 1 with the goalkeeper, who tipped her shot just past the post.

The game went into extra time and right at the end of the first half Australind were awarded a penalty which they scored. The IMCC girls went on the attack in the second half and had a free kick right at the end but couldn’t convert, losing the Shield Final 3-2.

Congratulations to the girls on making the Shield Final and on the amazing way they conducted themselves and have played all year. They were unlucky not to take home the shield but should be extremely proud of their efforts.

The Senior Girls Squad: Alex Robinson (Captain), Dee Hayes (Vice Captain), Katie George, Casey Dennis, Sophie Thompson, Ashley Brown, Kristina Kumai, Sophia Neal, Aluel Nul, Hattie Robinson, Chelsea Sanders (Goalkeeper), Paige Stiffel, Ejay Doust, Steph Isenhood, Elissa Price, Apot Ajo and Charlotte Thomas.
