The College Awards Night was held on Monday, 30th November at the College. It was a wonderful celebration of our students’ achievements in 2015 in academia, sport, arts and Christian Service. As a College we are very proud of all our students and the contributions they make to their own personal development, as well as the growth of the College. The Awards Night was an opportunity to acknowledge this in front of parents and staff.

The students were fortunate to have the presence of Irene McCormack’s brother and sister, John McCormack and Bernadette McCormack. Sr Maree Riddler, Father Israel and Mr Chris Erikson also presented awards. Mayor Tracey Roberts, City of Wanneroo, and Mr John Quigley, MLA for Butler also attended, giving excellent support to our school community.

The major Awards announced on the evening were:-
Dux Krista Stefanetti
Principal’s Award Jaz Baker
Irene McCormack Award Arabella Adeline

The 2016 Prefects were introduced to the College and the announcement was made of the 2016 Head Boy, Jeremiah Ayalde and Head Girl, Lauren Axiak.

The College Swing Band musicians, Barbershop singers and Dancers were a credit to the College, providing the entertainment.

Organisation of Award’s Night is complex. We thank Mrs Gillian Pearce for the coordination of the evening, and to staff and students who assisted with all aspects of the organisation, setting up and packing up of equipment.

St Vincent de Paul Christmas Appeal

IMCC’s Christmas Spirit has been shining bright this week! In just over one week our College community contributed enormous amounts of Christmas puddings, candy canes, bonbons, fruit mince pies and all things festive for our Annual Christmas Appeal for St Vincent de Paul. Together we filled 45 hampers full of goodies that will be distributed to local families who are experiencing difficulties to help bring some joy at Christmas. As well as the food and gifts, we were also able to donate $450 worth of Woolworths and Big W vouchers to enable families to shop themselves. Some of our wonderful Year 11 students raised a large portion of this money when collecting sponsors for the Winter Sleep Out.

Thank you to all who generously donated. Your gifts will be greatly appreciated by many this Christmas!

By every means I have shown you that we must exert ourselves in this way to support the weak, remembering the words of the Lord Jesus, who himself said, “There is more happiness in giving than in receiving” Acts 20:35
We are pleased to announce that the installation of the College perimeter fencing has now been completed. The College’s Maintenance Team have fabricated, sprayed and fitted 1.2km (500 panels) of mild steel boundary fencing.

This has been a huge project and we would like to thank Mr Harry Fairclough, Mr Declan Hogan, Mr Matt Wiltshire, Mr Dawid Engelbrecht and Mr Jim Gullen for their hard work and for the successful completion of this mammoth task.
**Vocational Education**

**Engagement opportunities for Year 8, 9 and 10 Students**
The following personal development opportunities are available over the summer for those students who may be at a loose end or seeking direction.

**Circuit building sessions for Year 7-9 Students**
Students aged 12-15 who are interested in electronics, circuits and electrical gear, can attend one of the sessions to experience soldering and electrical circuits, and to build an electrical gadget. Each session is run by engineering outreach mentors who are currently studying engineering at Curtin University and this provides an opportunity to speak with Curtin students about the University's engineering course.  
When: 29th November & 6th, 13th & 20th December.
Cost: $70.

**The ConocoPhillips Science Experience for Year 8-10 Students**
The ConocoPhillips Science Experience is taking place at Edith Cowan University from 19th-22nd January 2016. Students entering Years 9, 10, 11 in 2016 with an interest in science can apply to attend (proven science ability is not required). Four days of exciting interactive workshops with scientists and engineers who have a passion for what they do:
- Engineering (Motorsports, Robotics, Physics, Civil and Chemical Engineering)
- Sport and Health Science (Sports Analyst, Coaching, Nutrition).
- Medical science (Nursing, Paramedics, Biomedical science).
- Environmental Science (Astronomy, Chemical Forensics, Reptiles and animals).
- Social Science (Psychology).
Contact Jason Blight at ECU j.blight@ecu.edu.au or phone 6304 3451 to apply. Visit the website [www.scienceexperience.com.au](http://www.scienceexperience.com.au) for further details.

Ms Chris Tonkin  
Career Counsellor

**Uniform Shop**

There are only two weeks left this year to purchase items from the Uniform Shop and avoid the holiday rush.

We are seeking volunteers to assist in the shop this term and in the holidays. Any help will be appreciated and no experience is necessary. If you are able to help, please contact the Uniform Shop on 9562 2430 or email waite.lyn@imcc.wa.edu.au.

Hats/caps are compulsory for Term 4 and Term 1 2016. Caps are $9 and bucket hats $13 each. We still have stock of our older styles of sport shorts, sport pants and track jackets at discounted prices.
